A still life composition featuring a green lime, ginger, lemons, and seashells on a light-colored surface. The lime is at the top center, surrounded by ginger roots. Below the ginger are two lemons, one whole and one sliced. The bottom right corner is filled with various seashells and starfish on a sandy surface.

ARUNIKA

CROWN OF THE SEA

A tribute to the majesty of the Indonesian oceans. Exquisitely crafted with gin infused with radiant tangerine, delicate vanilla, and warming ginger, then elevated with golden honey and a bright touch of lemon, it offers an indulgent voyage, a luxurious toast to the beauty and grandeur of the archipelago.
